High School Applicants

We are now accepting applications from incoming freshmen for the Fall 2023 cohort of the Collegium V Honors Program. The application deadline is December 1, 2022 by 5:00 PM CT. Both the application and letters of recommendation must be received by the deadline to guarantee consideration. The application for Collegium V is distinct from the application to UT Dallas and can only be completed through the link below.

The application for Collegium V consists of two components: the application and letters of recommendation. To complete the application, students should have the following prepared:

- A list of AP/IB courses and scores, a list of any dual credit courses, and short summaries of any activities or awards received in high school.

Each applicant is required to have two letters of recommendation submitted to UT Dallas as part of their application to the university; Collegium V does not accept letters of recommendation. To upload letters of recommendation to your university application, please follow the instructions on the admissions website. If you submitted at least two letters of recommendation to UT Dallas part of your application to the university or through the Common App, then no additional follow-up is required.
