Pre-Med at UTD

Pursuing a career in healthcare is a challenging and exciting path. The Hobson Wildenthal Honors College is here to help you prepare.

Medical School Alumni Spotlights

"The medical readings courses enriched my knowledge of various ethical and historical issues,"
—— Waqas Haque, BS ’14, UT Southwestern Medical School, MD, 2016-2021; New York University, 2021-2024, Residency in Internal Medicine

"Many of the neuroscience courses at UTD are very medically oriented..."
—— Pranali Kamat, BS ’17

"Having access to insightful and experienced mentors and professors was insanely beneficial,"
—— Brooklynne Palmer, BS ’18, UT Southwestern Medical School, MD, August 2019 – Present
